\$500 Per Semester Scholarships!

The Impact & Prosperity Epicenter invites students passionate about elevating approaches to healthcare, civic engagement, and social well-being to be part of the 2025-26 **Global Health Community**. Students will be able to join events centered around addressing complex local, national, and global health issues. This community will draw on the vast health and medical expertise of the University of Utah and its partners worldwide and engage students through volunteer activities, guest speakers, and interactive workshops. It is open to all majors.
